

Perfection by design

## A fusion of style and function

Oasis worktops are precision built in the UK, in a selection of decors specifically chosen to appeal to UK style preferences.

From lustrous, contemporary stone effects to the warm welcome of a classic woodgrain finish, our high pressure laminate worktops set the benchmark for durable, high quality construction that isn't reflected in the price.

- Suitable for all domestic kitchen applications
- Resistant to high temperatures, impact abrasion and household stains
- Available in both 38mm and 28mm thicknesses
- Awarded the Furniture Industry Research Association (FIRA) Gold Certificate for consistency in performance
- Manufactured and tested to BS EN438-1: 2005
- Oasis worktops are subject to a programme of continuous quality control to ensure product quality and total satisfaction

Work surfaces can bring a kitchen to life, and Oasis worktops set the mood and tone with a choice of tough yet beautiful textured finishes. From the riven texture of Natural Stone to open Opal or the sophisticated character grain of Wood Original, Oasis worktops can bring an extra dimension to your kitchen. Not just a feast for the eyes, but a treat to the touch.

#### **Bullnose profiles**

The stylish profile has a 6mm radius with continuous return to add a touch of elegance.

38mm Bullnose (6mm radius)

#### Worktop Specification

- Latest technology high pressure laminate
- Water and heat resistant
- High quality environmentally friendly chipboard core
- Sealed back edge
- Laminate wrap around
- Sealed front edge to prevent the penetration of moisture and steam

#### Upstands

Oasis worksurfaces can be accompanied by stylish and hygienic upstands in order to provide a neat and attractive finish between the worksurface and wall. The upstands are available in a variety of decors, please see page 7.

### Worktop decors

Due to variations in the printing process, colours in this brochure may be subject to deviation from the actual product. It is always advisable to obtain a sample from your retailer prior to ordering.

### Worktop textures

**Perl (PE)** A subtle, burnished surface detail

**Gloss (GL) (SQ)** A gloss finish to enhance and compliment the effect of the décor

A contemporary smooth matt finish that looks as good as it feels

Radiance (RA) A unique texture that captures the realism of quartz found in natural stone

**Universal (U)** A smooth matt look and feel, giving your worktop a simple, clean finish

**Rough Stone (RS)** Soft riven slate type texture. Suitable for natural stone decors

A sophisticated texture that offers a delicate surface shimmer

Wood Original (WO) Gentle linear texture, replicating the natural undulations of an open woodgrain species

An irregular crystalline surface with subtly refractive facets delivering a visual and tactile effect.

### Care for your worktop

Oasis worktops are easy to maintain, simply use a damp cloth and a mild detergent or non-abrasive cleaner to keep the surface clean and hygienic.

Stubborn stains should be removed immediately (the use of abrasive cleaners should be avoided).

Whilst your worktop is resistant to high temperatures you should always put hot objects on to heat resistant mats or trivets. Our gloss finish will enhance and compliment the effect of the décor, however it is advisory to take extra care with gloss finish worksurfaces as they are more prone to marking. Try to avoid sliding objects across the surface of the laminate. To prevent damaging the surface, always use a chopping board for preparing food. Full details for care and maintenance can be found in the Care Guide included with every work surface or discuss with your retailer.

### Care for your environment

We only supply FSC certified wood products. This means we've used either timber traceable to a forest that is managed sustainably, or recycled waste wood diverted from landfill. We monitor our use of water and energy constantly to identify opportunities to reduce usage and have invested heavily in processes that generate energy from woodbased carbon neutral fuel, significantly reducing carbon emissions. We are proud to be BlueGreen certified as a supplier of Carbon Positive chipboard.

### Sample swatches

We are happy to supply a sample swatch of any of the Oasis decors, please call 0845 7 298 298 or visit your nearest retailer.
